

Introducing...

COLLEGE PROCESS AMBASSADORS

College Process Ambassadors are a select group of high school seniors chosen to share their college admissions journey.

Over two years, Ambassadors will document their journey to support the upcoming class.

Ambassadors will share info with the Commission on Higher Ed and create social media content to engage SC students.

Selected students will gain publicity, two \$500 scholarships and insight into education policy in South Carolina!

For more information, contact Antonia Adams at aadams@che.sc.gov.
